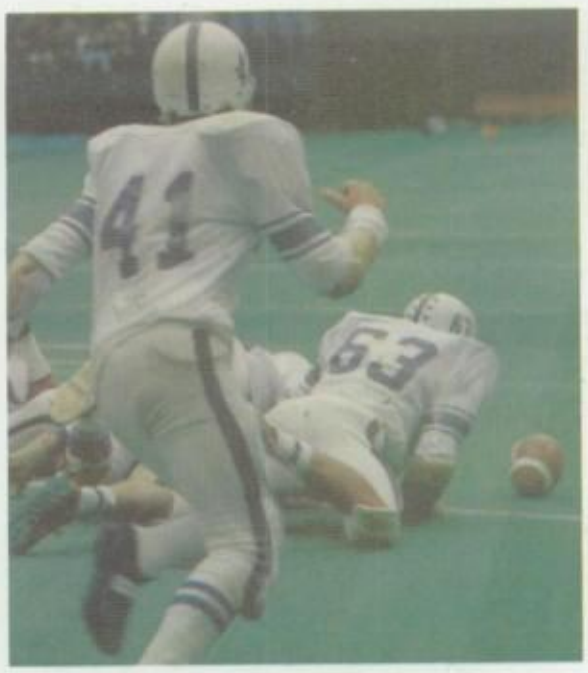
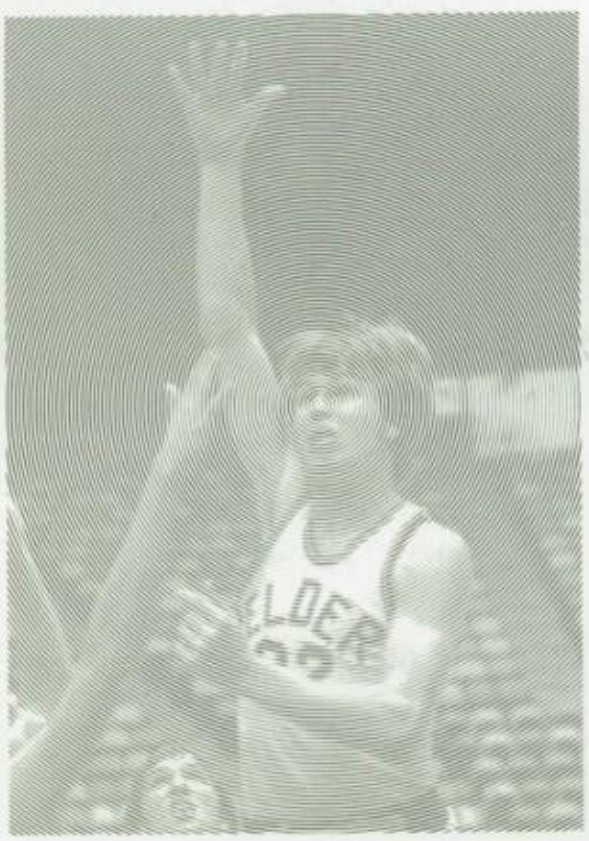
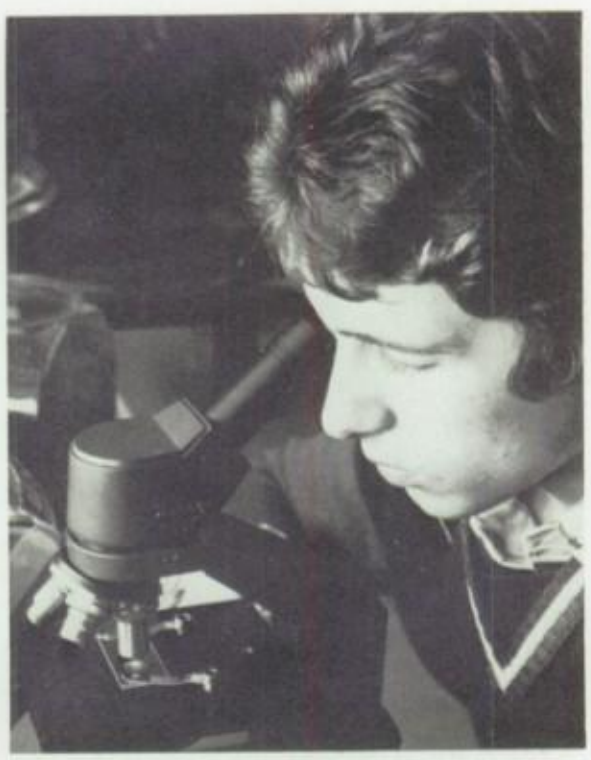
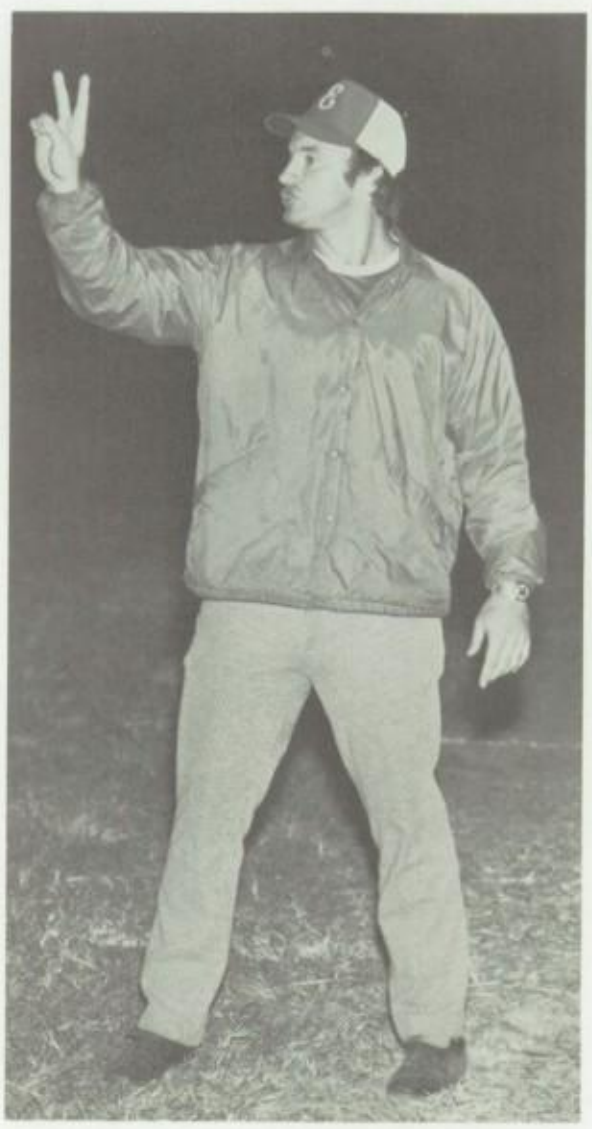
Just one year at Elder encompasses so much; memories that will grow in our minds from now on.



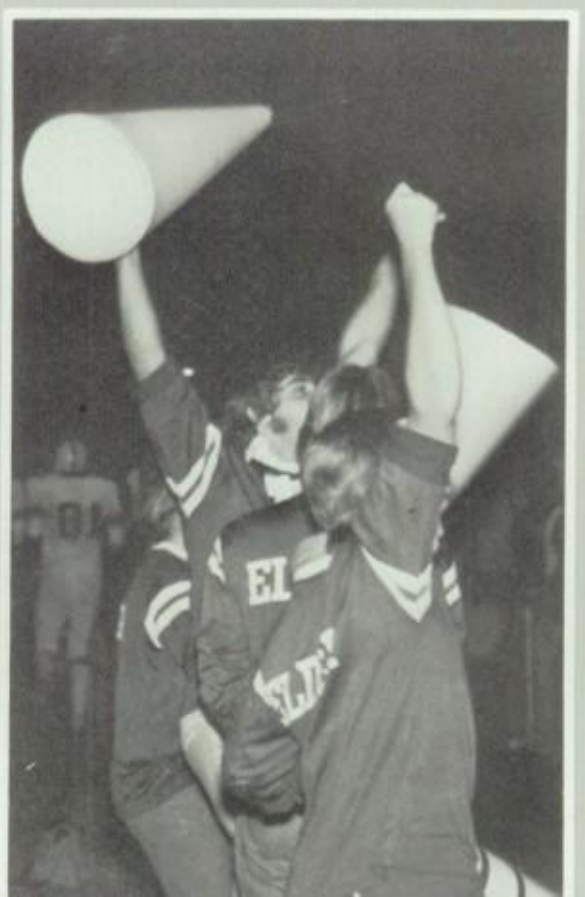






Achievements developed around the experience of the past . . .

. . . And the spirit of the present.



. . . Events of the year are remembered but unclear, lost in "mem'ry's haze."

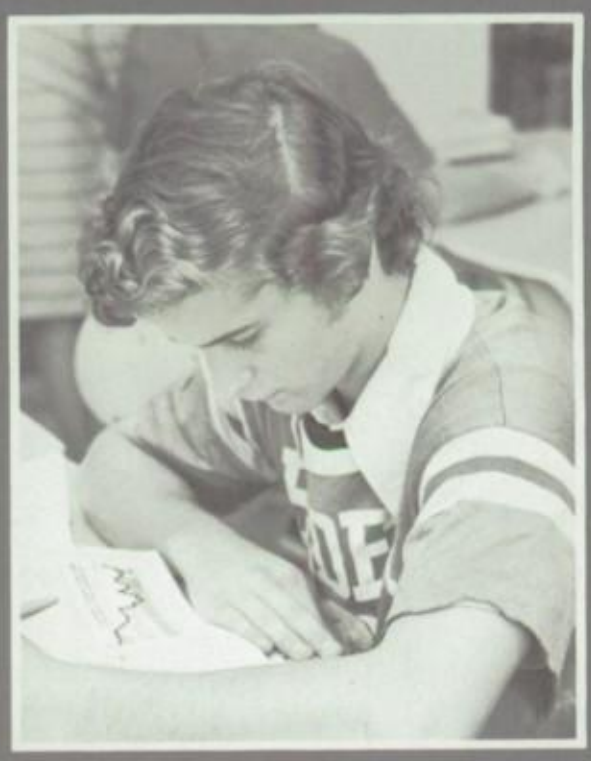
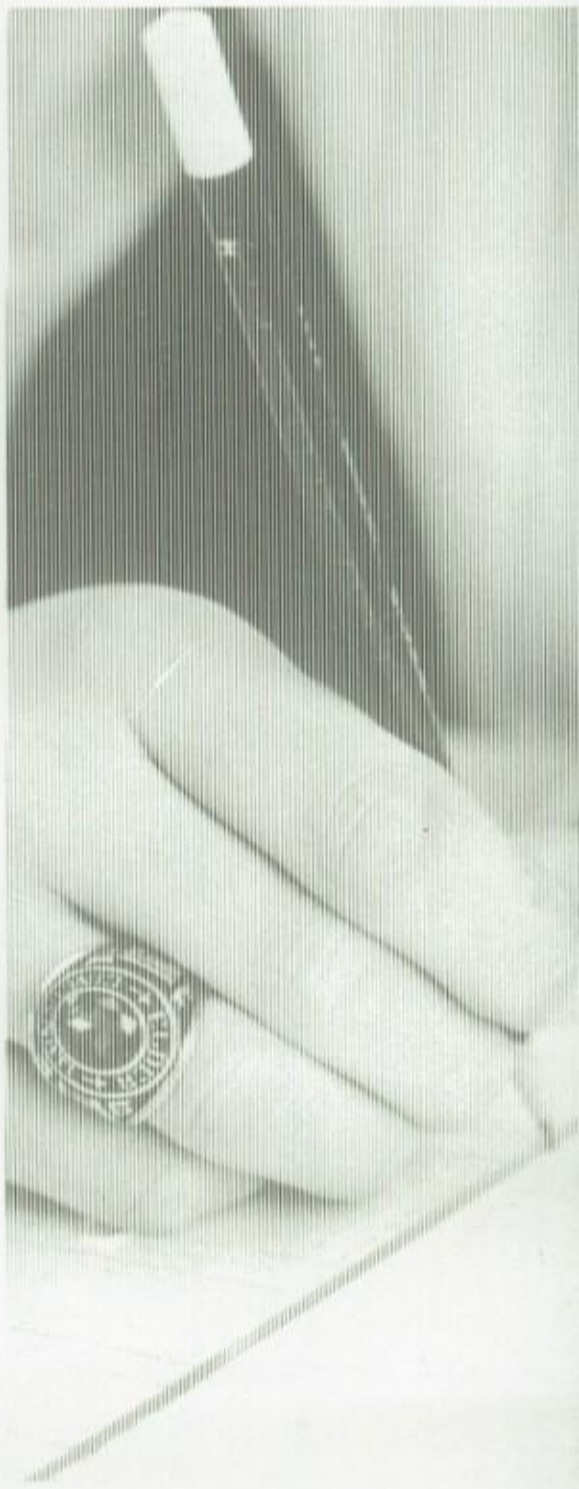
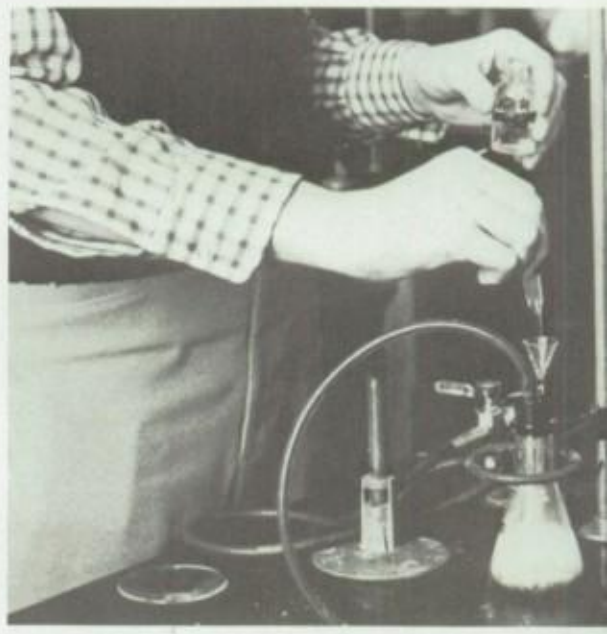
ELDER

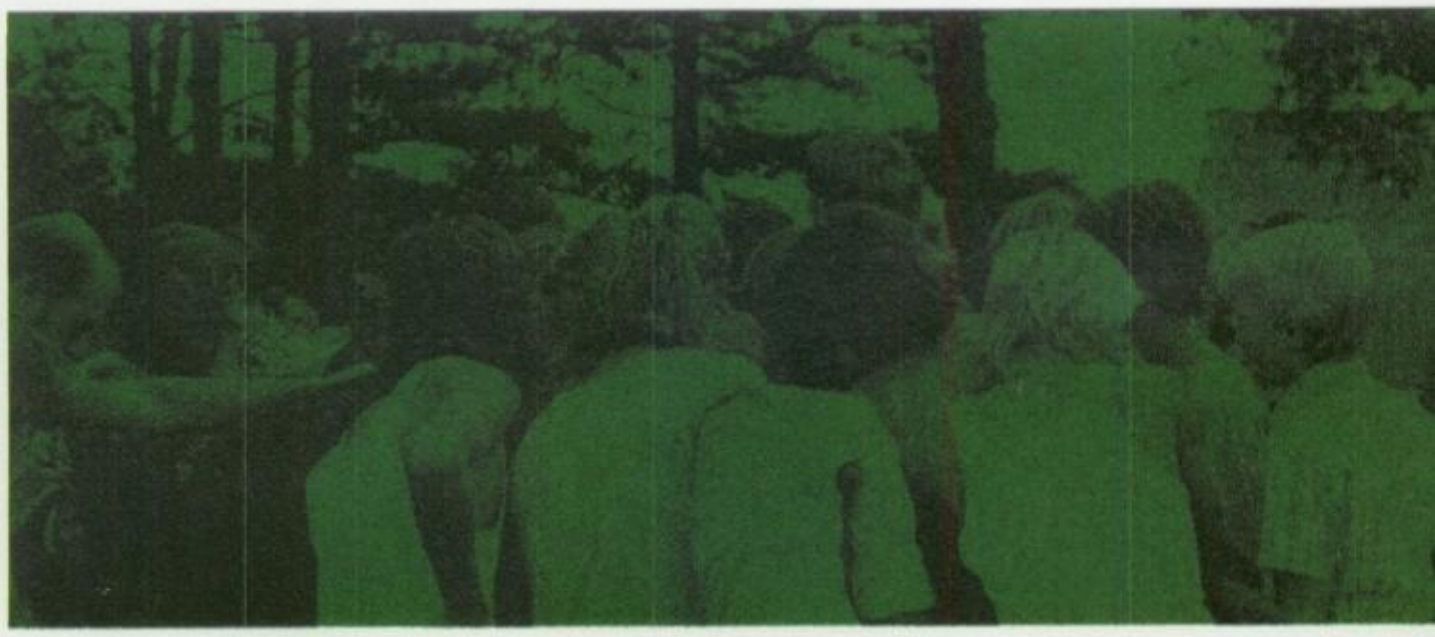




Goals, struggles, hardships, successes and sometimes failures are remembered in a unique way to each one of us.



At Elder, we are instilled with many of the best memories of our lives.



This year, we are left with memories of success attained by striving for the higher things together, both as a school . . .

. . . *and as a country.*

Elder — good times faded but not forgotten.

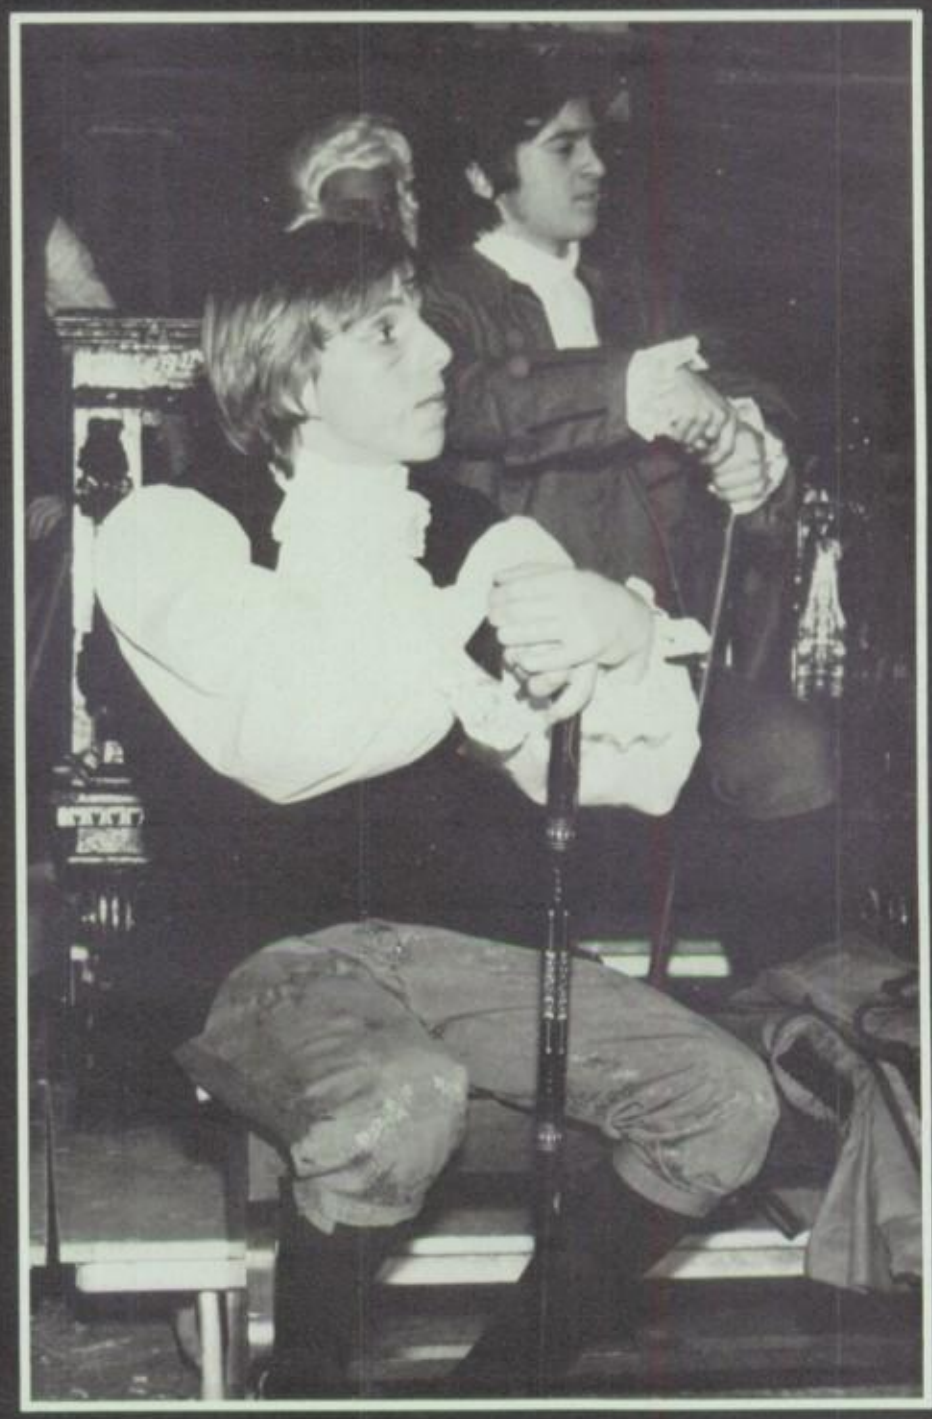
ACTIVITIES



Opening Day Mass

The traditional Opening Day Mass was celebrated by the priests of Elder in the stadium. Principal celebrant was Father Rudemiller, who spoke about the talents that we all are endowed with and how we must develop those talents. It served as an appropriate start for the '75-'76 school year.

"You're probably wondering why I asked you all here today."

Honors Convocation

The annual Honors Banquet was held in Schuler's Ballroom on Oct. 20, 1975. Elder scholars were honored by their parents and faculty. The evening was highlighted by guest speaker Eugene P. Reuehlman becoming the first recipient of the Elder Altiora Award.

Following the meal, provided by Schuelers, Fr. Strittmatter and Fr. Thomas Kuhn, along with emcee Joe Acito, presented awards to the students in recognition of their talents.

Memorial Mass

The annual Memorial Mass was celebrated by Father Strittmatter with the assistance of the other priests of Elder. The mass this year was in remembrance of the deceased members of the Elder community who have sacrificed to give us what we at Elder enjoy today. Father Strittmatter stressed the fact that we all strive to achieve some form of greatness but few are willing to pay the high price. The purpose of this mass was to honor those willing to pay that price.

Victory Dance

"Miracles," by Jefferson Starship, was the theme for this year's Victory Dance held at the Topper Ballroom. The music was provided by Wheatstone Bridge along with perennial favorite, Springfeild Mountain. Miss Jan Kelley, escorted by Chuck Squeri, was elected Victory Queen for 1976.

Elder-Seton Series at Eight

For the sixth year in a row, the Elder-Seton Series at Eight returned featuring five successful shows and once again, outstanding participation. Under the direction of Mr. Allen, Mr. Trauth, Mr. Geis and Mr. Hessling, the Series presented a variety of shows, from plays to choral concerts and Bicentennial salutes. Since its inception, the Series has grown to be a major element of the activity and entertainment portion of the Elder community. The quality of both the productions and the performers has been an integral part of the program, enabling it to draw large crowds of regular patrons and making the program a great success.

Christmas Concert

In accordance with our nation's 200th birthday, the theme of this year's Holiday concert was a "Bicentennial Christmas." Once again the talents of Elder and Seton blended to form a unique celebration of both our Bicentennial and the Christmas season. Mike Heath was the guest soloist and contributed greatly to the success of the concert.

1776

The Series at Eight production of 1776 was a fitting observance of our nation's bicentennial. The production was highlighted by many fine individual performances. Most notable of these was senior Greg Procaccino's portrayal of John Adams, capping off a fine high school acting career.

"So that's the bicentennial celebration!"

"No I was not pursuing a lady of ill repute"

"The most unusual case of stagefright I've ever seen."

Celebrating '76 With Song

On March 6 and 7, the fine Elder Glee Club combined with the Seton Chorus to display their various musical talents. The bicentennial-oriented songs and revolutionary melodies seem to have a profound effect on all listeners present. This effort epitomized the cooperation inherent between the Elder and Seton music departments.

Celebrating 76 With Fife and Drum

The Series' fourth production for the year continued with the Bicentennial theme. Held on the weekend of April 10-11, it again gave a lasting salute to our nation's heritage. Featured was the 1776 Fife and Drum Corps consisting of Ray Mangold, Dave Huschart and Greg Johnson.

Walk for Elder

The second annual "Walk for Elder" took place on Sunday, May 4. About 1000 students from Elder, Seton, Mercy, and neighboring grade schools participated in raising about $20,000. The event was almost washed out by rain, but fortunately it held off until nearly everyone had finished. For their part, the students of Elder were awarded a free day for the following Monday to allow for the ebbing of the lactic acid.

It's Academic

Composed of a talented trio, the 1976 It's Academic team set out with high hopes. They were boosted by a first round win in which they garnered 720 points to neighborhood rivals West Hi and Seton.

In route to their semifinal confrontation, they defeated St. Bernard and Beechwood 490 to 220 and 200 respectively.

The final round, however, proved elusive as Elder's 490 tally fell short of St. Henry's 505.

The '76 version included Captain Neal Meyer, Mark Maly, Rob Schehl, and alternate Steve Moeller, Mr. Pleohs again the moderator.

Law Day

This marked the second year for the Law Day event and it was highlighted by a number of guest speakers from both the city and neighboring townships. The purpose of the event was to inform the students on the rights and protections of the law and other aspects of the law that we should be aware of. The event was organized by Mr. Kaufhold and Mr. Klusman and proved to be an interesting program.

Bicentennial Celebration

Late in the year, Elder celebrated the Bicentennial with ceremonies featuring a cake of over three-hundred pounds. The cake was made by Mrs. Rosemarie Raab and was used as both a salute to the Bicentennial and a salute to the Band and Glee Club as they headed off to Boston. Vice-Mayor David Mann attended and after the initial ceremonies, the cake was cut and divided between students, faculty and guests.

Senior-Faculty Basketball Game

The seniors once again tangled with the "tough" Faculty in the revised edition of the Senior - Faculty basketball game. Before a packed, strident crowd, the seniors streamed to a comfortable lead; but the faculty made a gallant comeback to lose the bitter struggle 46-31. No one was injured in the contest as the seniors revenged their classroom humiliations by smirching the reputation of the select roundball rowdies of the scholarly staff. The game was played for the benefit of Glenway Woods (finally found at the corner of Glenway and Considine).

Trip to Boston

The much-heralded and multi-talented Elder band and Glee Club rounded off Elder's bicentennial tribute with their trip to Boston. After personally raising the funds through the sale of hats, a sing-a-long in the cafeteria, and the very successful Elder day at the two area Burger Chefs, the band and the Glee Club were able to make their trip, flying to Boston and performing on the square and at various music halls. The climax of the excursion was the production made in cooperation with Arthur Fiedler and the Boston Pops. The conduct and ability of the band and Glee Club shone during their trip and all of Elder should be proud to have these two fine organizations represent us in this bicentennial year.

Cross Country

The 1975 Elder Cross Country team experienced a season filled with a number of ups and downs. A number of team championships were brought home by the harriers, among them the Covington Catholic Invitational, the Best of the West, and the Cincinnati Sectional. In the GCL, the Purple Pack relinquished the league title for the first time since 1965, finishing third behind Purcell and Roger Bacon. Suffering from a number of costly injuries, the Pack was less than full force for the State Meet where they finished a strong tenth.

While senior co-captains Tim Scully and Jerry Vitucci will be leaving along with other top senior runners Dave Rebholz and Mike Frey, the underclassmen looked impressive as they captured the GCL and helped anchor the varsity when it was plagued with injuries.

Varsity Soccer

Vol(OH)ker

In its third year of varsity competition, Elder's soccer team won its first GCL crown, going undefeated in the league while posting a 7-0-1 GCL record.

The team suffered only two setbacks in recording its 10-2-1 season record. Losing the opener, the soccer men responded winning nine consecutive games before its final loss to Forest Park eliminated the Panthers from the state tournament.

Led by Jim Frey, the leading scorer, and Mike Schwebler, the GCL's MVP, Elder provided a potent offense averaging over 3 goals per game. The defense led by Co-Capt's Clem Redder and Frank Kalany and further strengthened by goalie Dave Volker, held opponents to one goal per game.

Elder placed five of its starters on the 1st team GCL All Stars. Include were Jim Frey, Mike Schwebler, Dav Volker, Frank Kalany, and Clem Red der. Bob Holwadel, a senior halfback was a 2nd team GCL All Star.

Rated as high as No. 8 in the stat and 3rd in the city polls, Coach Ja Kemen was selected as the GCL Coac of the Year and has brought respecta bility to Elder's newest varsity sport.

Golf 1975

The 1975 edition of Elder's linksmen combined to amass the most impressive season in Elder's golf history. Starting rather sluggishly, the golfers warmed up to take a share of the GCL with a record of 7-3-0, and then swamped the rest of the league by 22 strokes in the first ever GCL Tournament.

For the second year in a row the Panthers finished 2nd in the Sectionals and then put together fine rounds to capture the school's first District Title which qualified them for state competition.

Playing their best golf of the season the golfers now took on the tough course at Ohio State and turned in excellent scores which placed them 3rd in the state - another Elder best.

This year closes out the brilliant career of Mike Hartoin who broke all existing school records en route to a 3rd place show in the state; but with several fine young players, Coach Don Buchanon can look ahead to many more good years.

Varsity Football 7-3-0

The 1975 edition of the Elder Football Team sported one very significant change, that of Ray Bachus holding down the head coaching job. Coach Bachus had his sights on the G.C.L. crown from the very first day of grueling summer practice and, although there were few returning starters, he almost achieved that goal. As the season got under way, concern began to build about the team's first two losses. But then, perhaps the most outstanding characteristic of the Panthers emerged, that is, their ability to bounce back. The team's personality was displayed by the defense - rugged, inspired, and topnotch. This type attitude sparked a six game winning streak which dispelled any early doubts.

The dedication shown by captains Bolger, Clemons, and Welch was evident through the whole squad and the feeling of unity put into it made the season not only a winning one but a successful one too.

Lancaster 12 Elder 6

Opening on the road is always difficult and having to endure a three hour bus ride to think about it doesn't lend help to the situation. Playing in a pouring rain for most of the game, Elder and Lancaster exchanged early scores and settled into a defensive game. It looked as though we'd have to settle for a tie when a long bomb with just seconds to go ended it . . . one that got away.

Woodward 13 Elder 12

In Elder's first home game, the Panthers started out sluggishly as they "got the feel of the pit." In the second half, things started to get hot for the Bulldogs as a fired up Elder team stormed from the locker room. When Elvis Clemons ran in from the one yard line, it brought the Panthers to within a touchdown. Working against the clock, Terry Finley completed a 25 yard pass to Mike Hofmeyer with 1:51 to play. Unfortunately, Woodward was able to sit on the ball until the clock ran out . . . two that got away.

Elder 13 Fremont Ross 7

Elder's defense came up with three big turnovers, two of them stopping Fremont threats and the other setting up an Elder score as the Panthers notched their first victory under new head coach Ray Bachus by a score of 13-7.

Elvis Clemons gained 110 yards for the night with nine coming on Elder's first score. The second score came in the third quarter on a two yard keeper by Terry Finley.

Elder 58 Hughes 32

As confidence in themselves began to build, the Elder gridders exploded to their biggest offensive game of the year as they sent the Big Red of Hughes tumbling to their seventeenth straight loss. Elvis Clemons ran for three touchdowns and quarterback Terry Finley accounted for the others, one on a run and one on a pass. Clemons led all rushers with 137 yards.

Elder 23 LaSalle 13

The Panthers defeated the Lancers in a game that was delayed until Saturday as a result of the two inches of rain that fell on Elder Stadium Oct. 17.

Turnovers plagued LaSalle as Elder converted on four of six miscues for scores. The first score was a 15 yard scamper by Elvis Clemons set up by a 35 yard pass catch hauled down by Mike Hofmeyer. Short scoring runs by Terry Finley and Elvis Clemons along with a 25 yard field goal by Tom Hamberg iced the game for Elder.

"But I use an anti-perspirant."

"Not now honey, I'm busy."

Elder 7 Roger Bacon 0

In the first G.C.L. matchup of the year, the urple pack traveled to St. Bernard to meet the partans of Roger Bacon. Again the underdogs, lder asserted itself early by taking the opening ick-off 66 yards to produce the game's lone ouchdown. It came on a 2 yard run by Elvis lemons. The real story of the game was Eldr's outstanding defense, led by Kevin Brogan nd Joe Overbeck which held Bacon to only 16 ards rushing.

Toad feels for his five o'clock shadow.

Elder 22 St. Xavier 6

Elder made it five straight with a very convincing win over G.C.L. rival St. Xavier by the score of 22-6. Fittingly, Elder's first score came as a result of the defense, as Randy Ritter trapped X's Bob Ducilli in the end zone to put the Panthers out in front. In the game the Bombers were able to gain only 15 yards against Elder's version of the "steel curtain." Two short plunges by Elvis Clemons and a six yard run by Tom Elias, the last score of the year at Pit, put the game away for the Panthers in front of a large Homecoming crowd.

Elder 13 Purcell 0

Elder shut out Purcell in the middle gam of the G.C.L. triple-header at Riverfront b the score of 13-0. First half scores by Ter Finley and Elvis Clemons, who had 12 yards rushing for the contest, closed out th scoring for the night. The real story of th game, once again, was Elder's sting defense which allowed only 15 yards on th ground for the Cav's and warded off a attempts by Purcell to penetrate the goa line.

Moeller 17 Elder 0

Elder's six game winning streak was broken by Moeller's Crusaders as the latter won the coveted G.C.L. title Friday Nov. 7 at Riverfront stadium. Fumbling on the first play foretold the future for Elder as this was converted two plays later into a Moeller score. Elder's only serious threat was again killed by a fumble, this coming on the Panthers' deepest penetration, on the Moeller 15 yard line. Although Elder outgained the eventual state champs 211 yards to 190 yards, they were unable to put points on the scoreboard.

The Elder Panthers, led by Elvi Clemons' record breaking 254 yard rushing, rolled to their 18th consec utive victory in the annual Turke Day Classic held at Riverfront Sta dium by the score of 42-15.

Senior tri-captain Elvis Clemon scored on runs of 56, 39, and 6 yards to earn the M.V.P. fron Elder and to also send him over 100 yards for the season.

In the second quarter Paul Dren nan scored from 17 yards out. Tw other scoring combinations clicked Finley to Hofmeyer and Moeschl t Renzenbrink.

Wrestling 1976

The 75-76 Wrestling season started long before the first match on Nov. 27 as the wrestlers spent many long hours in the wrestling room preparing for the task ahead. Guided by one of the area's finest coaches, Mr. Bob Richter, the Panthers once again had a successful campaign led by tri-captains Scott Rosenberger, Andy Vogelsang, and Jim Lengerich.

With only three returning starters (Coffaro, Rosenberger, and Shultz) the team began slowly due to inexperience and lack of confidence, but as the team worked more they gained momentum and finished strong. The GCL Tournament was next and although the matmen came in 3rd, everyone hit their peak and did an excellent job.

A good showing in the Sectional at St. X. sent six wrestlers on to Dayton for District competition: Dave Klumb 112, John Coffaro 119, Scott Smith 126, Den Jennings 155, Jay Erhart 167, and Scott Rosenberger 185. With fine second place finishes here Scott Rosenberger and Den Jennings then advanced to Columbus for the state finals.

Swimming 76

Practice and determination turned the 75-76 Elder Swimming Team into success. After a disappointing start in the Anderson Relays the team bounced back on the winning track by winning the next five dual meets. The seasonal record was eight wins in twelve outings, with two of the losses decided by a slim seven points.

In the GCL Meet Elder proved tough as they turned back Moeller, Purcell, and LaSalle to finish second to state champions St. Xavier. Chris Hogue was the only non-x swimmer to capture a gold in the meet.

After a fine showing in the Cincinnati South-West Sectionals (3rd out of 13), Elder sent six swimmers to District competition. This meet eventually sent Chris Hogue on to State competition as the only Elder representative.

The Gil Wendling coached Mermen are only graduating three seniors and will be a much more experienced squad when they take to the pools next year.

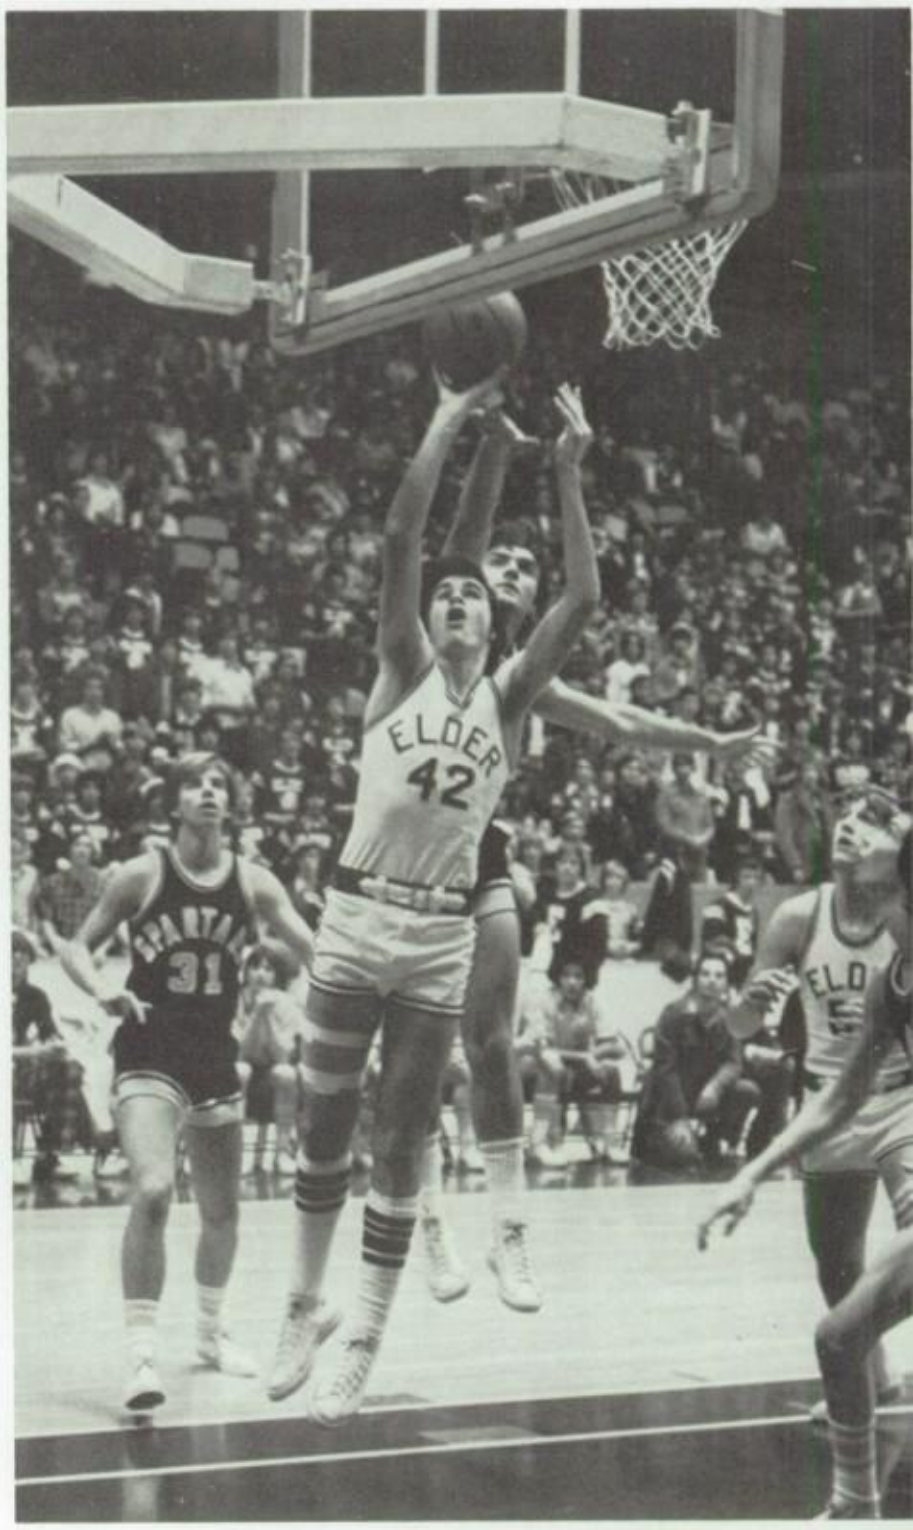
1976 Elder Basketball



The 1976 edition of Elder Basketball was faced with a difficult task as they were ranked No. 1 in the city before the season even began. Expectations were high as the two senior co-captains, Tom Keehan and Tom Kramer, both logged valuable playing time the preceding year, and were to be joined by a junior squad that had known defeat to be few and far between.

The team played true to their preseason predictions as they rolled over their first eight opponents, even without senior Mike Hartoin who broke his wrist in the first game of the year. This was to be the first of a rash of injuries that tried to cripple the squad. Minor injuries to Tom Keehan and Mike Hofmeyer slowed the team and the loss of Tom Kramer through a major part of the season seemed almost too much to overcome, but as Coach Frey looked for a combination that would click the bench reserves rose to do the job.

After 17 games the Panther record stood at 14-3 and a victory over Purcell in the Pit assured the school of a share of the GCL crown with LaSalle with a 7-3 record.

As the trail for the state meet began the team was assembled for the first time since the first game as a whole and, playing as a unit, with the backing of the whole school, they whipped through all competition to capture the DISTRICT.

Continuing Northward the Panthers met Bellefontaine in Regional play and ousted them 44-38 behind Mike Hofmeyer's 20 points. In their last game of the season the team experienced unusually cold shooting but played until the final buzzer as they lost to Middletown.

Track

As tri-captains Jerry Vitucci, Gary Sprague and Mike Lanzillotta led the track team to the opening meet of the new season, it was obvious that the season was destined to be an uphill struggle. With a lot of inexperience working against them, the '76 track team finished a disappointing season with a last place finish in the GCL.

But there were bright spots in the season with a school record in the pole vault by Gary Sprague at 12′ 4″ and th consistently outstanding performances of Jerry Vitucci, Ton Bayer, Tim Apro and others. As the season closed, it wa evident that the track program would look to the future, wit sixteen returning lettermen for next year, and the hope o regaining the GCL title.

Tennis

The 1976 tennis team, with 6 men returning from last year's squad, posted a fine 11-10 record - the first winning season since the 1973 team. The racketeers got off to a fair start, breaking even after their first 8 matches. They burned the courts at the end of the season, winning 6 of their last 8 to finish the year 1 match over .500. During the spring, the netmen won the Best of the West tourney at West Hi, beating Oak Hills, West Hi, and LaSalle. Their GCL record was a respectable 5-5 but a little under their hopes at the start of the year. The team, coached by Mr. Ken Laake, has high hopes for next year, returning 11 of the 12 varsity players - losing only co-captain Mike Dulle. Among the other returnees is Len Murray, a sophomore and the other co-captain, who posted the best individual record, 11-7, mostly at third singles. The winning record was due in part to Joe Schoenfeld and Dan Zeiser, who were player-coaches in charge of the doubles teams.

Reserve Tennis

The 1976 reserve tennis team did not have fantastic success, a 3-9 record accumulated during the season. But the young players acquired valuable experience which will help them in the future. The team had an equal number of sophomores and freshmen and they will lend much help to the varsity team in the next few years.

While the basketball team was winding up their season in Dayton, the Bicentennial Elder baseball team was busy preparing for the upcoming season which totaled an unbelievable number of games at thrity-seven. This was accomplished in Mr. Massa's eleventh year as coach due to the fantastic weather that they were fortunate enough to receive.

With a record of 22-15 they won the 1976 Tournament of Champions, were runner-ups in the District, and tied for second in the G.C.L. Massa's winning seasons shouldn't come to end in the future since seven senior lettermen will return next year plus the talent from the Reserves.

Cheerleaders

Cheering at Elder has always been different than at your average high school. At Elder the enthusiasm has always been amazing - controlled, consistent, and captivating. Whether at home or on the road, the Pit has always provided important backing for the Purple Panthers. Through victory and defeat, through good times and bad, we have never given up - that's the Elder Spirit.

This year's cheering section was led by an exclusively senior cheerleading squad. Every senior was given the opportunity to sign up, and those chosen led Elder to another tremendous year. The pride and unity of the Purple and White was once again upheld in a fine Elder tradition.

The Quill included articles on prominent, local, political, and sports figures; school news; and many other fine features and news stories. We certainly owe gratitude to the editorial staff as well as each individual member.

Camera Club

Dedicated to the mastery and understanding of modern photography, this year's Camera Club was headed by Mr. Don Patrick. Using his Kojak Instamatic camera, Mr. Patrick has exposed these men to the developing world of the camera.

1st ROW (L to R): Mark Whitmer, Greg Berndsen, John Carlson. 2nd ROW (L to R): Gordon Hemsick, Ron Hengehold, Ken Gardner, Jim Maxi, Chris Wandstrat, Tom Damen, Keith Bauer, Jim Faust. 3rd ROW (L to R): Glenn Hemsick, Bill Kendall, Gary Shea, Tim Sattler.

Gun Club

The Gun Club consists of students interested in the safety and use of firearms. Under the direction of Fr. Dale Peterka, this group has become both knowledgeable and experienced in the handling of guns. Trips to the range and tips at the meetings have made each member a safety-oriented expert in the field and in the home.

Public Relations

Headed by Mr. Toby Heile, the Public Relations group is responsible for seeing that major Elder events receive public attention through the news media. Their behind the scenes work has made many Elder activities great successes.

BELOW: SITTING (L to R): Dave Morgenthal, Ken Skahan, Chris Wandstrat, Brian Knue, John Fontenot, Glenn Potts. STANDING: Mike Lanzillotta, Steve Michel, Steve Cook.

Library Workers

The Student Librarians assist Sister Marianne in providing service to the Elder students. Through their study of library science, they keep the 16,000 volume library running smoothly, and with their professional attitude, they provide a climate for research and study.

LIBRARY WORKERS: (Clockwise From 6 O'clock): Chris Auer, Mike Hampton, Tom Kerr, Mark Scahill, Sister Marianne, Dennis Schlachter, Mark McBride, Jim Glaser, Gary Sprague, Tom Fox, Chris DeFranco. MISSING: Steve Lape, Mike Bauer.

ABOVE: 1st ROW: Bob Linger, Bob Kobman, Denny Martini, Dennis Kilday, John DePaoli. 2nd ROW: Scott Bronnert, Bill Niemiller, Mark Niehe, Don Mossman, Dave Dattilo. STANDING: Bob Weidner, Bob Conroy, Jerry Harnist, Ken Meyer, Rick Meyer, Paul Drennan, John Dink.

Main Office Workers

The Office Workers spend one period of the school day assisting in the office by collecting absentees, passing out messages and delivering slips to leave class (alleluia!). They are responsible for doing many assorted jobs and routines necessary to keep the office in order.

1st ROW: Jerry McAdams, Rick Loesing. 2nd ROW: Andy Fox, Mark Hanneken, Mike Paolello, Tom Moeller, Mark Hesselbrock, Ed Geiger, Jim Leon, Ken Skahan, Jim Stegeman.

Guidance Office Workers

A familiar friend to everybody, the guidance office workers have volunteered their time and effort to serving the student body. Duties range from delivering appointment slips to straightening the office and greeting college representatives.

Cafeteria Workers

Essential components of the Cafeteria System, the members of this elite group have tremendous responsibility. Cleaning dishes, preparing food, and keeping the lunch room clean are but a few of the numerous jobs these workers ceaselessly perform. A word of gratitude is certainly in order for this voluntary, noble organization.

BELOW: SITTING: Den Bronstrop, Mark Werle, Don Rieskamp, Brian McElroy. 2nd ROW: James Menz, Karl Buelterman, Joe Overbeck, George Hornback, Keith Merz. MISSING: Paul Burnheimer, Mike Bauer.

After-School Workers

An important group of men at Elder has always been the after school workers. Their job has been to perform such thankless tasks as dusting, mopping, and straightening the building. Their meager pay goes to payment on their tuition - certainly we owe credit to their tremendous work.

BELOW: 1st ROW: Don Smith, Ty Myers, Mark Hogel, Steve Martin, John Hageman. 2nd ROW: Mike Reynolds, Tony Cipollone, Don Clark, Joe Dezam, Dan Elder, Dave Wald. 3rd ROW: Mike Kaminsky, Mark Whitmer, Mark Niehe, Joe Sherman, Jim Brofft. MISSING: Tom Damen.

ABOVE: SITTING (L to R): Ed Plageman, John Hageman, Dennis McMahon. STANDING: Glenn Potts, Bob Meyer.

Elderaides

This group of students work as ushers and concessionaires at football and basketball games as well as other Elder activities. They are responsible for making each event more enjoyable for every spectator.

Bowling Team

The Elderado

Continuing the superb tradition of the Elderado, this year's incredible staff proved itself the most talented and industrious in the annual's history. Under the supervision of Editor-in-Chief Steve Nienhaus and guidance of Father Ralph Westerhoff, Moderator, the 1976 staff constructed what will certainly be remembered as the greatest of Elder's annuals. We proudly salute this elite group of juniors and seniors for their many hours of hard work and unrecognized loyalty.

4 GUIDEPOSTS FOR HAPPIER LIVING

1. BE CONSIDERATE

Develop a sincere interest in people, their lives and their problems. Be understanding, and never build personal success at the expense of others.

2. HELP THOSE IN NEED

You will find few experiences so rewarding in life as the times you give a helping hand to folks in need.

3. CONTINUE TO LEARN

Stay mentally active, intellectually curious, receptive to new ideas. Education is a wondrous process continuing throughout life.

4. CULTIVATE THRIFT

Save regularly from the start. Thrift gives you an important extra margin for progress . . . for security . . . *for success.*

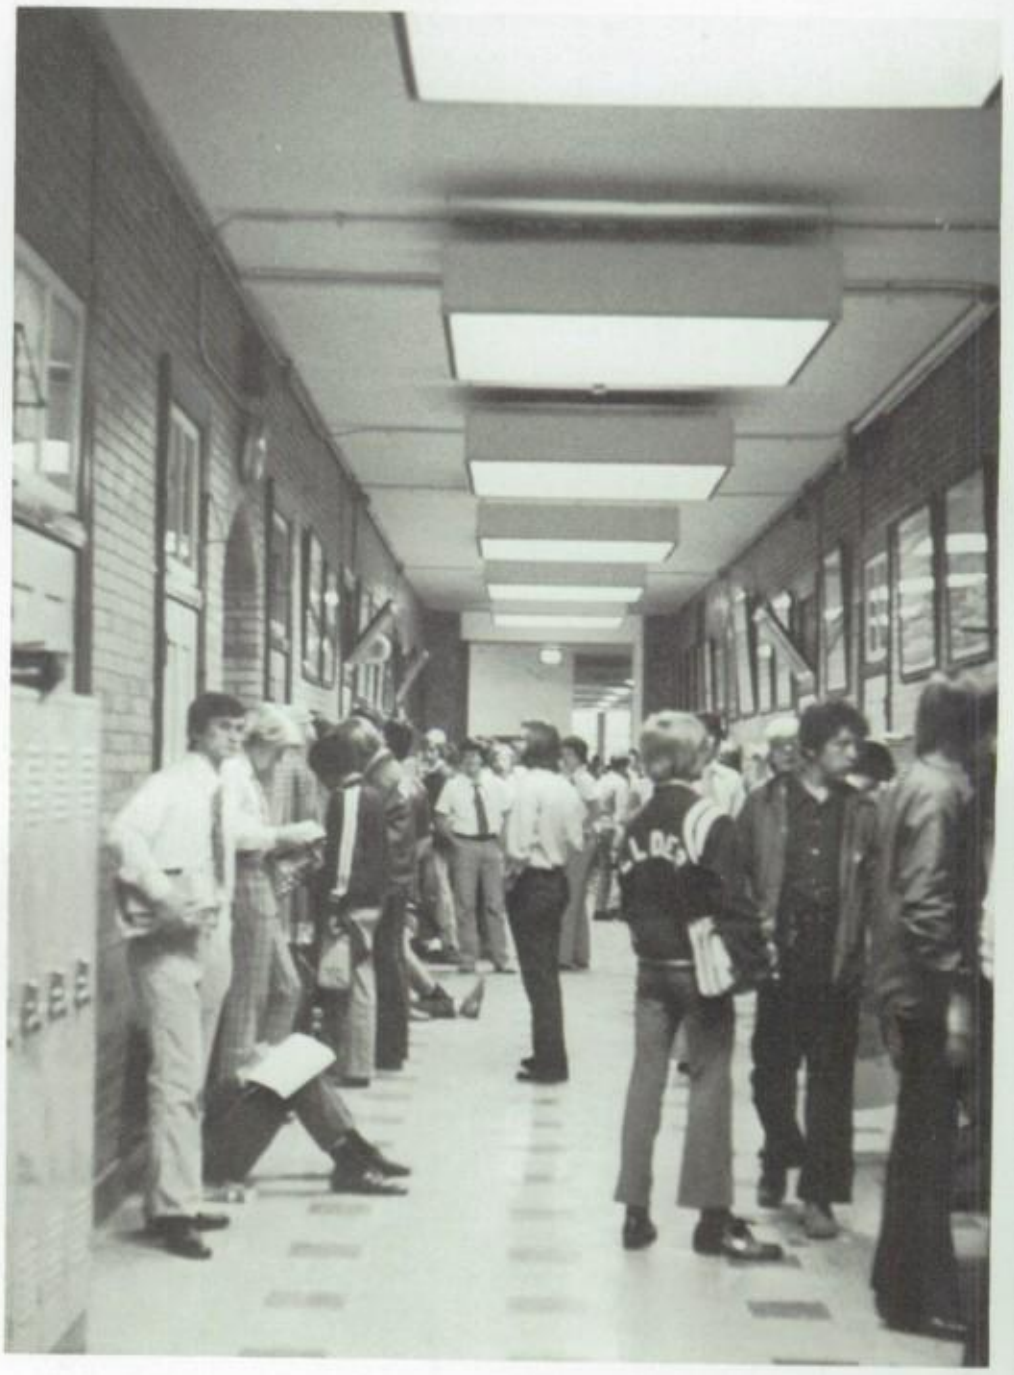
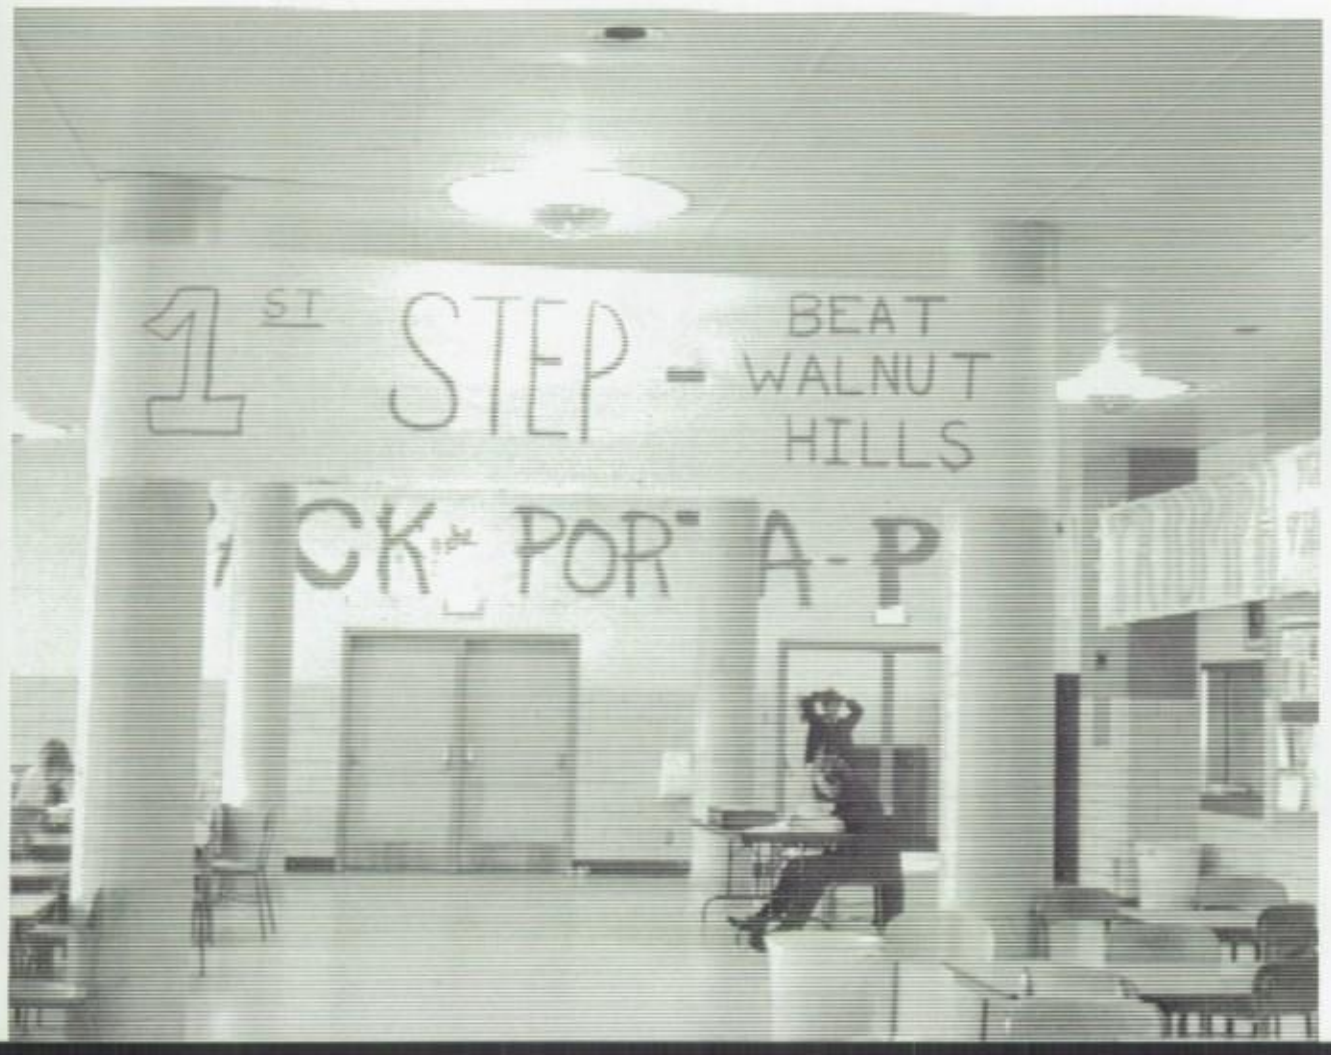
Before we've had a chance to grasp everything that has happened . . .



. . . *we find that we are at the end once again.*



For some it's just a break in the action while for others, it's a whole new game.

Memory

Is Like a Small Child

Strolling Along the

Seashore. Who Can Ever

Say What Tiny Pebble

or Seashell He Will

Pick Up and Carefully

Store Among His

Treasures!

The Elderado staff has endeavored to record the events of this past school year; in the hope that they will find a place in the treasury of your memory.
